FAX TO: 212-249-7580

Dear Sir or Madam:

I have tried over-the-counter generic loratadine for two weeks to treat my allergic problems.

I don't find that it is a suitable drug for me and I request that it be authorized for me to have

(Allegra/Zyrtec/Clarinet) as a prescription benefit under my insurance plan.

Sincerely,

If you need Bextra, Celebrex, or Vioxx:

We need to prove that you are intolerant of aspirin, Anaprox, or other NSAID anti-inflammatories (Voltaren, Ibuprofen, etc.) Either they caused stomach upset, some other side effect, or they failed to work. If so, fax us a letter ([link here](#)) to 212-249-7580, attention Joan.

Dear Sir or Madam:

I have tried several NSAIDS (NAME WHAT YOU HAVE TRIED) and I don't find that they are suitable drugs for me because (they failed to work, they caused a digestive tract bleed,

I have a history of a GI bleed, they upset my stomach)_____ . I request

that it be authorized for me to have (Bextra, Vioxx, or Celebrex) as a prescription benefit under my insurance plan.

Sincerely,
